

CMCS Parent/Family Association

Because we believe in Parent Partnership, the CMCS Parent/Family Association will play an integral role in school life at CMCS. The Parent/Family Association is similar to what most know as a PTO. This Association will play a role in creating and organizing key events and initiatives within our school community, which could include anything from serving at Vision Dinner or another major donor event to planning monthly birthday treats for the CMCS faculty and staff to organizing the end of the year bash.

If you are interested in being a part of the inaugural Parent/Family Association at CMCS, we would love to hear from you! Contact Emily Farmer at clinchmountaincs@gmail.com or let us know at the school. We will be announcing a date for the first meeting soon so be on the lookout for that!

Christian education marked by academic excellence, theological clarity, and spiritual nourishment.
